Preparing Graduate Students for Real Jobs

Please join us January 15th for a discussion with Professor Jennifer Summit, as she shares her experiences with the San Jose State University Shadowing Program.

RSVP @ HumanitiesEducation.stanford.edu

Wednesday, January 15th | 12:00pm | Bldg 260, Room 252

The DLCL Humanities Education Focal Group explores issues concerning teaching and learning in the humanities, including research on student learning, innovation in pedagogy, the role of new technologies in humanities instruction, and professional issues for humanities teachers at all educational levels. | dlcl@stanford.edu
